

January 12, 2018

**NOTICE: “IN HOUSE” POSTING
THREE (3) RTG OPERATOR TRAINEES**

1. As a prerequisite to apply for training, the candidates shall be a PAC Driver and toploader certified, with a minimum of 400 qualified hours of operating experience in a toploader within the prior twelve (12) month period.
2. Candidates must pass testing requirements set forth in the Training Program including an acrophobia test (boom check), height test, emergency escape, eye exam, MITAG, ability testing at Seagirt Marine Terminal, and probationary period testing. Practical RTG training will be a 2-week course. Any unexcused missed day will result in termination from training.
3. Candidates must successfully complete RTG MITAG training course.
4. Candidates must be able to physically perform the work duties common to a RTG operator.
5. Candidates must have excellent hand/eye coordination, depth perception, be self-motivated, demonstrate great communication skills, and have patience and focus.
6. Candidates must have an understanding of container work flow, understand yard planning, and be safety oriented.
7. Candidates must pass a drug and alcohol screening.
8. Candidates must possess a valid TWIC, Port ID and current state issued driver’s license.
9. All trainees must sign a 1-year commitment letter to take work when offered RTG crane jobs.
10. Upon certification, individuals must meet a minimum of 100 hours per year in the RTG crane. Individuals with less than 100 hours per year must complete a refresher course.
11. Failure in any portion of the training process, including failure to attend any portion of the training and/or any at-fault incident during training, will result in your termination from the program.
12. Candidates must have a good work history and P.I.T. record.

**THESE POSITIONS WILL BE AWARDED TO THREE (3) PAC DRIVERS
BY COMPANY SENIORITY AND QUALIFICATIONS. APPLICATIONS
ARE TO BE SENT TO THE STA AND MUST BE IN THE SENIORITY
BOARD OFFICE BY THE CLOSE OF BUSINESS JANUARY 26, 2018.**
