RE: Updated Summary Plan Description

We enclosed the latest version of the Summary Plan Description (SPD) for the Coronavirus Pandemic Relief Fund. Please ensure that a copy is mailed, emailed, or otherwise delivered to all individuals in your port who work under the USMX-ILA Master Contract. You should work with your local Management Port Association, ILA Vice Presidents, and local ILA officers to accomplish this. Please contact us if you have any questions.

In addition, please remember that Pursuant To Article IX of the USMX-ILA Covid Pandemic Relief Fund Agreement and Declaration of Trust and Plan, applications for benefits must be filed within thirty (30) days after the applicant files for state unemployment benefits.

Also, please remind applicants that all paperwork submitted in support of an application for benefits must be completed in full before being submitted to the CPR Fund.
